TO OUT OF STATE DOMESTIC FARM WINERIES AND MICROBREWERIES

The Arizona Department of Liquor Licenses and Control is replacing the out-of-state farm wineries and out-of-state microbreweries series licenses. Your 2L license number has been replaced with the new license number enclosed. Your license privileges and fees will remain the same. Your license expiration date remains the same, November 30th of each year. This change is being done to expedite the renewal process for these two licenses. Please use license number enclosed for future business dealings. If you have any questions, please contact the licensing division at 602.542.5141.

Thank you for your cooperation.
