INSTRUCTIONS

1. The reporting period for this form must be monthly, except that proprietors who qualify under the exception stated in 27 CFR 24.208(b)(2) may file this form on a quarterly or calendar-year basis unless required to file monthly by the Alcohol and Tobacco Tax and Trade Bureau (TTB). A proprietor who files quarterly reports but does not expect any reportable operations in a subsequent month or months may indicate in Part X that no monthly reports will be filed until a reporting operation occurs (S 24.208(b)(1)).

2. Prepare this form in duplicate and file it by the fifteenth day after the end of the report period (month, quarter, or year). Keep the copy on your bonded wine premises for inspection by TTB officers. Send the original to TTB at this address: Director, National Revenue Center, Alcohol and Tobacco Tax and Trade Bureau, 560 Main St, Ste 5002, Cincinnati, OH 45202-5215.

3. Explain any unusual operations in Part X.

4. The quantities "on hand end" will ordinarily be "book inventory" figures, that is the quantity reported to balance each account. Use the "on hand end" from your report for the previous period as the "on hand beginning" of the current report. On reports for any period when you take a physical inventory, report the difference as losses for bulk wine and shortages for bottled wine, or as gains, as the case may be.

5. If the quantity of wine previously reported on TTB F 5120.17 is affected by adjustments made on a tax return, TTB F 5000.24, adjust the current TTB F 5120.17 in Section A (and Section B, if bottled wine is involved). Explain the entries in Part X.
