A.R.S. Section 4-203 (G) provides:

A licensee who holds a license in nonuse status more than five months shall be required to pay a one-hundred dollar surcharge for each month thereafter. The surcharge shall be paid at the time the license is returned to active status. A license automatically reverts to the state after being held in continuous nonuse in excess of thirty-six months.

Also, A.R.S. Section 4-203(O) states:

If a licensed location has not been in use for three years, the location must re-qualify for a license.....  
**(In other words, if your license has been in non-use for over three years, you lose the location and must reapply.)**

If you are **NOT** using your liquor license, complete an **INACTIVE STATUS FORM** and submit it to the Department's Licensing Division. Your license can remain on inactive status for **FIVE** months before an assessment of **\$100.00** per month thereafter begins accumulating. If you activate the license **WITHOUT** notifying the Department, you may be assessed the surcharges. Therefore, it is important that you notify the Department on an **ACTIVE STATUS FORM** promptly. Failure to notify the Department of either Inactive or Activating Status may result in revocation as stated in A.R.S. 4-203(N):

**Failure to pay any surcharge....**

**OR**

**Failure to report the period of nonuse of a license shall be grounds for revocation of the license.**

Your license **MUST** be renewed when it is in nonuse status. Renewal of your license does **NOT** place it into use or nonuse. You must use the Department's forms or a personal written request.
